

REMARKS

Upon entry of the present Preliminary Amendment-A the claims in the application are claims 1-12, of which claims 1, 3 and 4 are independent.

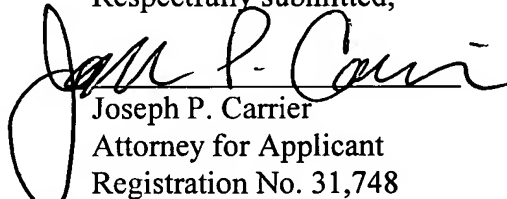

The specification, claims, and abstract are amended to overcome minor informalities therein, to eliminate a multiple dependency in claim 4, and new claims 6-12 are added to define additional aspects of the invention.

Applicant respectfully submits that all of the above amendments are fully supported by the original application. Applicant also respectfully submits that the above amendments do not introduce any new matter into the application.

Favorable consideration is respectfully requested.
